Breidlin

It is custom, often, to give some alliterative and complimentary title to the athletic teams and other groups who represent a school. Traditionally, we, in this high school, have been called "Crusaders". From this cognomen came the inspiration for our theme of the Breidlin of 1951.

Through the centuries, the patterns of education have been altered; but the principles of truth upon which all education is based do not change.

The educational pattern of the Middle Ages, for instance, was created by a way of life called feudalism. A part of the design of this pattern was the system known as chivalry. Imagine a young fearless crusader, trained in the ways of courage, honor, and courtesy, about to set forth upon a quest to far-distant lands. He was not always a fearless warrior, for only seven or eight years earlier he had been a humble page in some great household. Only by years of effort and study and devotion had he proved himself worthy of knighthood. As he went forth, though he was untried, he faced life unafraid because he had been well educated in the arts and skills necessary to meet his life experiences. He knew he would risk his life defending the ideals in which he believed. Yet, his courage was high, and his faith was strong; he set out, confident in his future.

The chivalric ideal, though the pattern is changed, still inspires us; and, though our pattern of education differs from that of the medieval crusader, we feel that our school has educated us well so that we go out equipped with knowledge and strength and faith to meet the challenge of the modern chaotic world.

DEDICATION

*I am but one who humbly speaks for all
Of us, that I might tribute pay to him
Who is of worth so great that words are weak
And faltering the pen that tries to tell
His greatness in a few short lines of verse.
This man has set a pattern, through the years,
To guide us on our way.*

*We found in him our teacher, counselor,
And friend.*

*All those who had desire to learn he taught
And shared his wisdom so that in their minds
There grew ambition and great zeal to know
All there might be to know of books and life.
To share his knowledge was his great delight.
For thirty-eight devoted years he served.
To teach us was his joy.*

*Each one of us was always certain that
He'd help us solve our problems, great or small.
His way was kindness and truth, and, when
All other ways would fail—firm discipline;
But based on justice, this we knew. Our
Admiration for his sense of justice grew.
To guide us was his right.*

*His strength of character is manifest
To all who know the life of service he
Has led. As citizen he takes his place
Among the great men who have served so well.
His church he serves in many ways and is
A source of strength to those he leads. His life
Is witness of the Golden Rule by which men live
To serve God and mankind.*

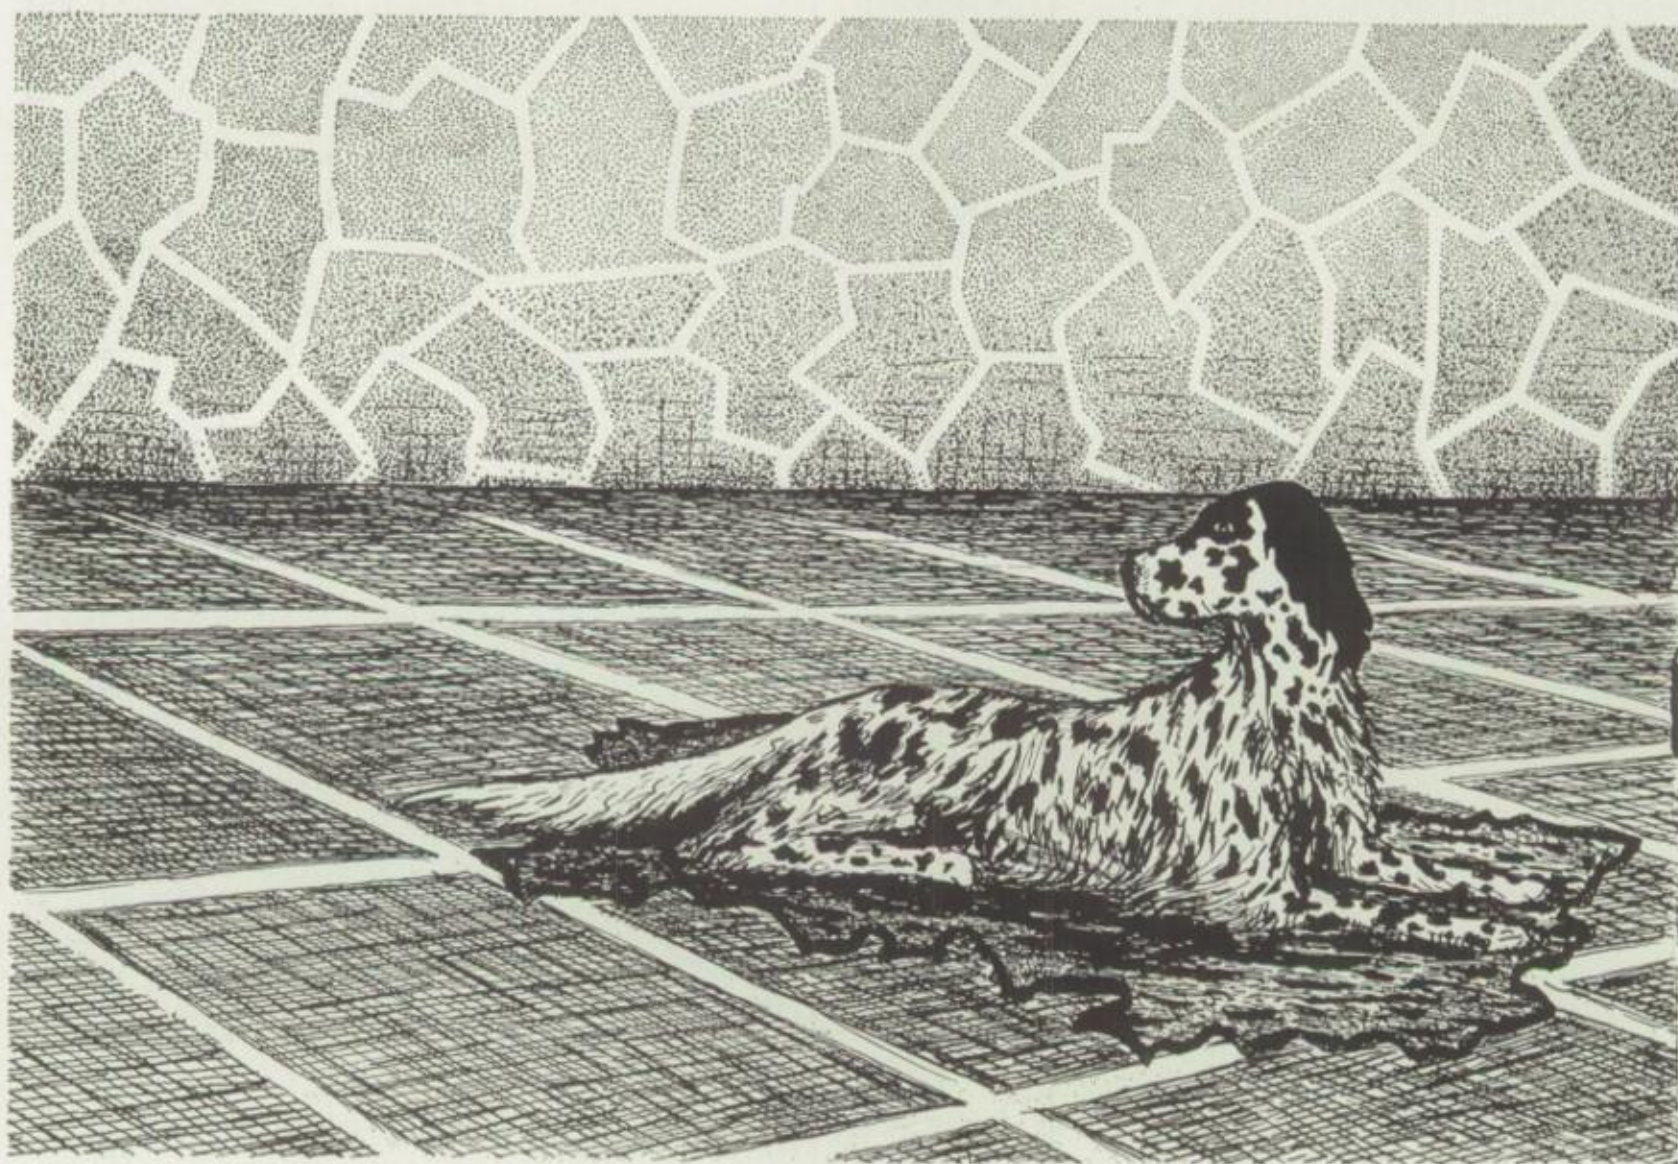

*It will be difficult to see him go—
Our cherished friend—we'll miss him constantly.
The power of his personality
Has touched us all. In these weak words we speak
Our gratitude and hope that in the days
Ahead he'll find contentment and great joy
To fill the years to come.*

Class Song

Tune: "Too Young"

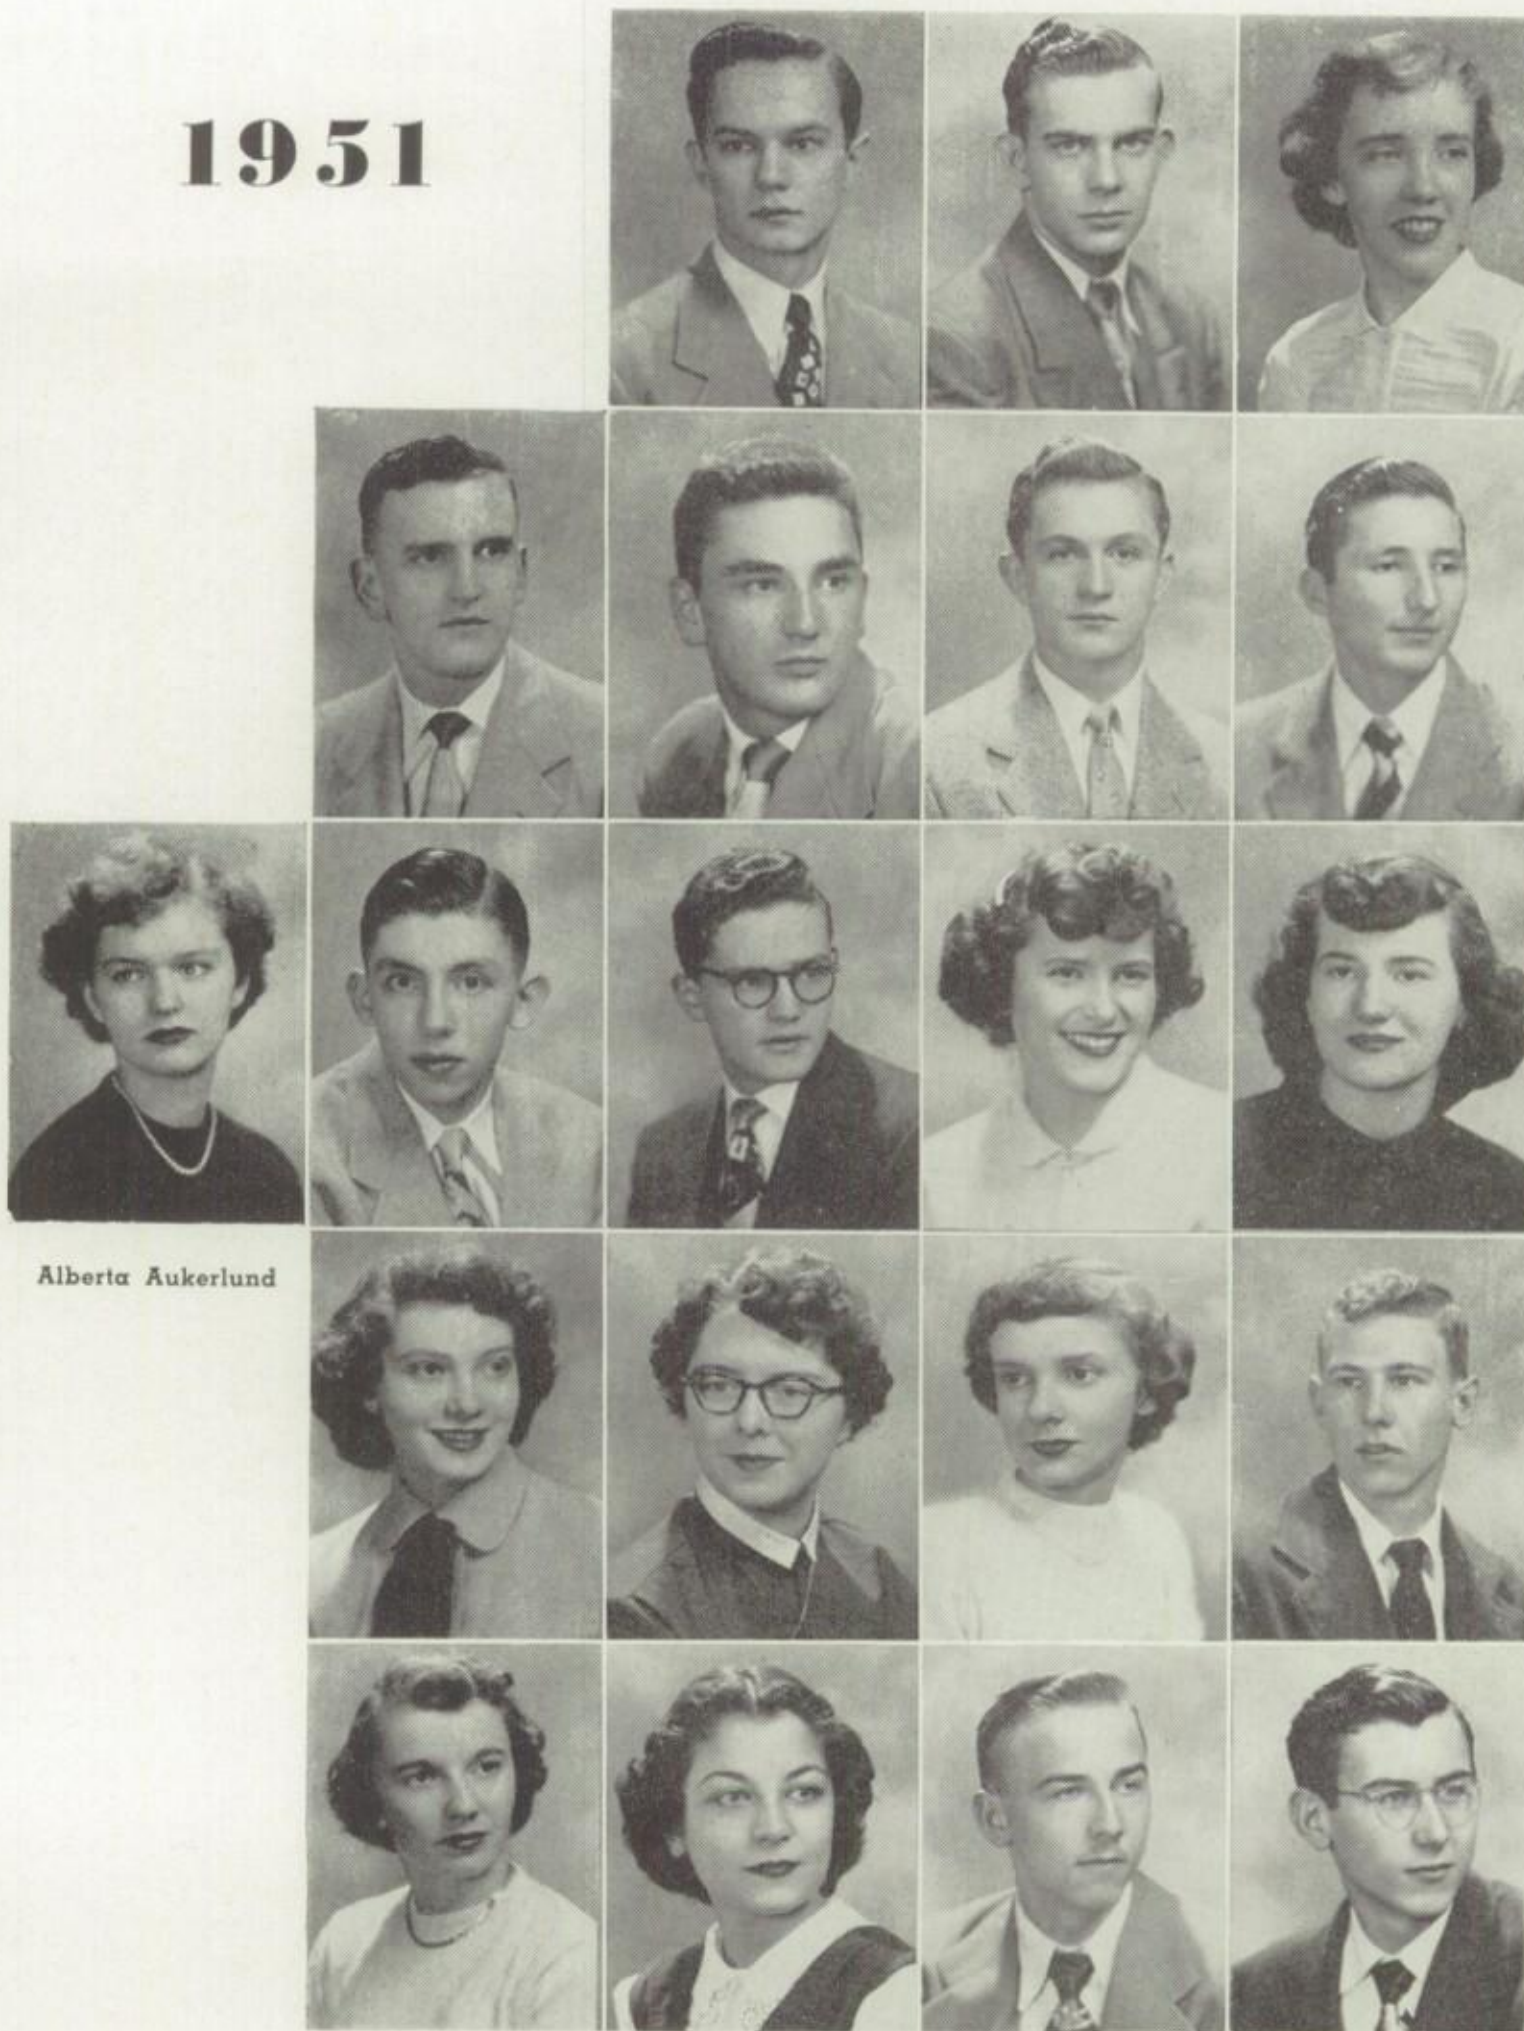

*Oh, Coughlin High to you we raise,
For lessons taught so well and true,
A loving song of praise.
We sing a fond adieu.
Your long-loved memories we do revere,
We, who are now about to part
From this old school to us so dear,
We'll miss you ever in each heart.
And, to you we say farewell.*

*Time, passing, breaks school ties that bind
Us to our Alma Mater fair.
The words we scarce can find
To speak the thoughts we share
As life's great challenge now before us lies.
May each ambition be fulfilled,
And future victories be ours
In all the hopes and plans we build.
To our Coughlin days farewell.*

*The months and years have flown so fast—
A few short hours—and then we part.
But time cannot erase
From every loving heart
The pleasant mem'ries of our high school
days.
A song of gratitude we sing.
Our voices, loud and strong, we raise.
The Class of Nineteen Fifty-one,
To all, we say farewell.*

"Pleasant memories cluster round it"

Open Letter to the Class of '51

When anyone calls himself a crusader, he is assuming for himself qualities which are outstanding and difficult to attain.

The Crusader of old had to have vision. He needed preparation, such as the training in the use of his weapons and practice in doing his duty in times of great stress. He had to have a readiness for sacrifice, a willingness to leave the comforts of home and to endure exposure and hunger and thirst in order to carry out his vision. Courage was needed to face all this, courage that came through the example of his ancestors and companions.

And, the modern crusader needs the same traits of character. I do not mean only such of you boys who, by entering the armed services, may have to do just what the old crusader did. These qualities are needed by all the members of the class, both men and women. To be successful in life you should have vision, a vision based on past experiences that have been well-considered and accurately evaluated. You will need preparation not only the preparedness that comes from studies well-learned but also that training which you scarcely knew you were getting, which came from your school associations, your family, your friends, and your church. The preparation is the weapon of offense and defense which you, as American Crusaders, will use in life. You will need courage with which to meet the difficulties which you are bound to face in life.

The class of 1951 seems to me just a little different from the other classes that have graduated from this school as I feel that I am graduating with you since I leave the same day you go out. Ever since you entered this school four years ago, I have felt as though I, too, have been a member of your class. I have tried to keep before the school the necessity of getting the traits of character that I have mentioned above and have tried to make it possible for them to do so. I hope I have succeeded.

I wish for all of the class of 1951, and the rest of the school, such success as will bring you prosperity and the only permanent happiness—the joy that comes from a life well-lived "in favor with God and man."

Sincerely,

John H. Super.

Crusaders Win Five, Lose Four

With nine experienced men returning from the 1949 campaign the Coughlin Crusaders were able to compile a fine record of five wins and four losses. This record would have been still better, no doubt, if injuries had not plagued key players.

In the season opener the Red and Blue trounced Luzerne 30 to 12. John Kutney scored four times in this game. In the next game Plymouth, the Conference Champions, had to come from behind to stop the Crusaders who dominated the first half play. In the next three contests the Red and Blue stopped Newport

14 to 0 and then bowed to Nanticoke and lost to Meyers, who won the city title. The highlight of the season was the 19 to 6 upset win over G. A. R. by the Crusaders. The Grenadiers, who had a three game winning streak broken, led 6 to 0 at the half; but the second half was all Coughlin, and the game was beginning to turn into a rout as the final whistle blew. The score was 19 to 6.

After that win, the Crusaders swamped Larksville 24 to 0, but were beaten in a hard played contest 19 to 7 by a tough Plains team. In the Turkey Day Classic ten seniors ended their high school careers by trouncing their Kingston rivals with a 27 to 0 score.

Two Coughlin players were honored by being chosen members of the All-Scholastic Team of 1950. John Kutney and Joseph Gola were selected for the honor by officials and sports writers of the county.

Coach Ruddy

Rough Competition This Year

With a squad consisting of eight veterans and two newcomers, the Coughlin Crusaders under Coach Tony Ruddy were able to furnish some strong opposition for all of their 1950-1951 opponents. The Red and Blue final record shows victories over Pringle, the State Class-C P. I. A. A. finalist, and two decisions over Plains High, the runner-up in the Valley League.

The game with Pringle was the most thrilling of the season. It took a goal by Kasaczun, with fewer than ten second to go, to win this game. McGuire had 19 points in the 58 to 57 contest.

This season the Crusaders also stopped Plymouth, the long time conference king, by a 62 to 51 score. Degnan had 22 points to pace the attack.

In another thrilling contest, the Nanticoke team, the 1951 Conference Champs, had to come from behind to stop the Coughlinites, 47 to 42. Degnan and McGuire scored 26 points between them to pace the loser's attack.

Grapplers Enjoy Victorious Season

The Crusaders began their wrestling season by having four boys emerge victorious in the annual novice wrestling tournament at the Y. M. C. A. Robert Caruth, Pat Rogan, Robert Barnowski and Ed Johnson were the C. H. S. victors.

On Jan. 10, the Crusaders defeated the Nanticoke Grapplers by a score of 28 to 13. Rogan, Bond, Barnowski, Quagliariello, Zaccagni, Thomas, Morpeth, and Johnson were winners for the Red and Blue.

Coach Joe Peel's squad continued their winning on Jan. 17, when they over powered G. A. R. 43 to 12. With a record of two wins and no losses, the Red and Blue defeated Plymouth 23 to 20 in a thrilling hard fought battle.

Coughlin's fourth straight triumph came when the Crusaders defeated Hanover 38 to 8.

At the hands of Kingston the Red and Blue, by a score of 32 to 9, went down to defeat, to make their record four wins and one loss.

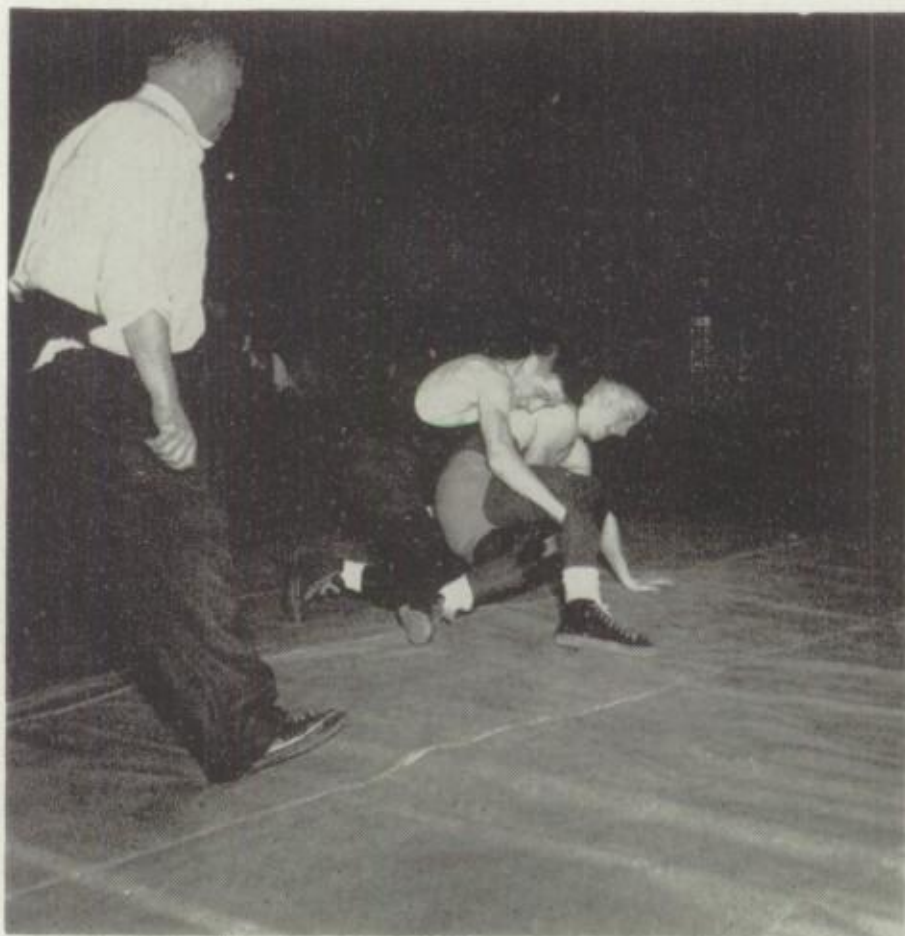

Rebounding from their loss to Kingston, Coughlin defeated Forty Fort by a score of 21 to 20.

The Crusaders last dual-meet ended in a tie with Meyers 18-18.

Team Places Second In League

With a number of veterans returning from the 1950 season, Coach Tony Ruddy was able once again to field another championship contender. After about a week of practice the Crusaders traveled to Nanticoke where they tied the Nan's, 7 to 7, in an extra inning game which was "called" because of darkness. Jerry Gazinski provided the highlight of the game by pitching no-hit ball for five innings.

Tutko gets runner at second

In their first league contest of the season, the Crusaders journeyed to Meyers where they halted the Mohawks, 7 to 3, behind the six hit pitching of Tommy Wychock. Bernie Paciga paced the offense with two hits.

The Red and Blue's second victory of the season was a 4 to 3 triumph over last season's champs from Hanover. Jerry Gazinski scattered six hits as he recorded his first victory. Two hits apiece by Cron and Petruska, and a triple by Pelesh sparked the seven hit assault on two Hanover pitchers.

Four hit pitching by Wychock wasn't enough to avert C. H. S.'s first defeat of the season, as an underdog Kingston nine upset the Red and Blue, 3 to 1. Although limited to but three hits, the Crusaders did threaten numerous times, but never led the inspired Kingstonians.

Gazinski's 11 strikeouts paced the Crusaders to a 5 to 1 victory over their city rivals G. A. R. It was the third win of the season for our home boys.

Despite pitching efforts of Wychock errors plagued Coughlin as Meyers avenged its previous defeat by handing us an 8 to 3 upset.

Run, Joe! Run!

C. H. S. Takes City Meet

Under the direction of their new coach, Mr. Bernard Cobb, the 1951 track season opened with a meet against Kingston. The Red and Blue were edged out of this contest by a close score of $67\frac{2}{3}$ to $59\frac{1}{3}$. Kutney won the 100, 220, and the broad jump. Thomas took the pole vault, Koval the javelin, and Kwak the shot put.

Hurdlers show how it's done

On May 1, the Crusaders came back strong to make up for their earlier defeat, by handing Hanover a 99-28 beating, winning all but two events. Leading the way for the Crusaders were: Gattuso, in the high and low hurdles; Kutney, in the 100, and broad jump; Miller in the mile; and Kwak, Dougalias, and Koval in the shot put, discus, and javelin, respectively. Both of the relay teams won. These consisted of: Half-mile, relay — Perkowski, Yanchik, Cashmere, and Firda; mile relay — Conway, Yanchik, Morpeth, and Miller.

The girls of C. H. S. have had many opportunities to participate in a variety of sports. There were swimming, bowling, basketball, tumbling, volleyball, besides the regular gym classes.

Something new was added to the plans for

basketball. Instead of having one varsity team, there was a team chosen for each of the four upper classes. The teams played an intramural tournament. In the spring there were tumbling and volleyball teams selected. Lots of fun and excitement for all!

ALMA MATER

BESSIE STELLA JONES, '07

*Hail to Coughlin, Alma Mater,
Stepping stone to fame,
For the student and the athlete
With his zeal aflame.*

CHORUS

*Winning in the field and forum,
Keep the goal in view;
Shout in chorus for our banner,
Wave the Red and Blue.*

*Pleasant memories cluster 'round it,
Of its prestige proud,
While the promise of the future,
Beams through every cloud.*

*When life's noontime joy has vanished,
Lost in reverie,
Like the glory of the sunset
School-day dreams we see.*
